## JOIN A CLASS AS A STUDENT

*To use Classroom, you need to sign in on your computer or mobile device and then join classes. Then, you can get work from your teacher and communicate with your classmates.*

*When you join a class on one device, you're enrolled in that class on all devices.*

### How to join a class

You have 2 ways to join a class:

- Join a class with a class code—If your teacher gives you a class code, use this code to add yourself to the class. Your teacher might give you the code while you're in class or email it to you.
- Accept an invitation from your teacher—If your teacher sends you an invitation, you'll see Join on the class card on your Classroom homepage.

### Forgot or lost the class code? Code won't work?

If you deleted, lost, or forgot the class code before joining a class, ask your teacher to resend the code or set a new one. If the code isn't working, ask your teacher for help.

**Note:** You only use the class code once to join the class. You are then enrolled in the class, and you don't need to re-use the code again.
